Re: **Our Global Partner School** - Columbia International College.

Dear applicant,

Having a clear vision for the future gives you a head-start in reaching success in life. Your interest in applying to Columbia International College (CIC) suggests that you value education, and that you appreciate how far a quality school can take you.

As Canada's flagship university, the University of Toronto routinely ranks top 20 among the world's best universities. **We are home to the Canada's #1 programs** in medicine, engineering, computer science, information science, management, humanities, social sciences, science, pharmacy and more.

With the highest admission standards in Canada, the University of Toronto has its pick of the best and the brightest. CIC knows how vital it is for your generation to secure every advantage, including hands-on, interdisciplinary preparation in these crucial high school years. **Among the world's millions of schools, CIC graduates receive the largest number of offers of admission from the University of Toronto - often with a scholarship.** Indeed, every September, we welcome approximately 1000 CIC alumni into our freshman cohort. And they, in time, become U of T

For these reasons and more, our team at the **University of Toronto have full confidence** in Columbia International College's capacity to deliver you a quality secondary school diploma program that equips you well for the new economy. This is why we are a member of CIC's University Partner Program and offer you access to CIC's unique Elite Pathways program.

You aspire to attend a top high school in Canada and we hope you aim for the best when the time comes to choose a university.
